Helping Young Volleyball Coaches

Our mission is to help individuals gain knowledge which will help them take that next step to enter the volleyball coaching profession.

For those individuals who have already caught the coaching bug, our goal is to challenge you to get out and share your knowledge with your peers.

This clinic is YOUR clinic. We need to challenge each other so we can continue to improve the great game of volleyball in North-Central Wisconsin.

A clinic is truly successful if you are able to find ONE thing that you can take back and add to your already successful program. Our spring clinic is focused on giving area coaches the opportunity; to not only learn from each other but to also share your ideas with other coaches that attend the clinic.

Session 2 – 11:15 – 12:15

Lunch/Social – Cafeteria

Session 3 – 1:00 – 2:00

Session 4 – 2:00 – 3:00

Session 5 – 3:00 – 4:00

Open Court – coaches share favorite drills.

Registration fee

Individuals: \$25.00

Coaching Staff: \$100.00 (5 coaches)

\$10.00 per additional coach

Lunch will be catered in.

Coaches in attendance are asked to email their favorite drill or drills so they can be added to the coach's handbook. Be prepared to get on the court during Session 5 (wear comfortable clothes because our goal is to get everyone on the court) and demonstrate what works for you so that the young coaches in attendance can learn from your experiences.
